

Title: Faculty Position – General Applicant Pool

Description:

****This posting is to establish a general applicant pool and does not correspond to an active job opening.****

At Kehillah, we strive for excellence in education, promote inclusivity, and celebrate the unique qualities of each student. Join our supportive teaching community, embrace collaboration and innovative pedagogy, and contribute to the academic and personal growth of our students. If you are passionate about mathematics education and dedicated to creating a positive impact on the lives of students, we invite you to apply for this rewarding opportunity.

We are seeking faculty members who can teach high school students across a range of subject areas. While experience teaching at the high school level is preferred, a strong passion for learning, patience, and a sense of humor are essential. Ideal candidates will be enthusiastic about both independent teaching and collaborative work within a team, including curriculum development and assessment.

Diversity and Belonging

We believe our strength lies in our diversity and our commitment to creating spaces of belonging for all who join us. Through belonging, our students and faculty find themselves and others, recognizing the unique contributions each person can make to healing our world. Our belief in the interconnectedness and value of all human beings compels us to work individually and collectively towards equity and social justice. We are committed to building a society that appreciates and celebrates differences as well as a society that empathetically confronts the ways individuals, institutions, and systems have oppressed others based on gender, race, religion, sexual orientation, socioeconomic status, disability, and other aspects of identity. We believe that it is only by clearly understanding the past and the present of these dynamics that our community members will develop the capacity to help create a better future for all. We acknowledge that this work is ongoing and ever evolving.

Benefits: Kehillah offers a comprehensive benefits package that includes free HMO medical or employer-subsidized PPO plans, free dental and vision, EAP, retirement planning, life insurance, short and long-term disability, gym membership, free lunch, and more!

How to Apply: Please submit your application along with a resume. A cover letter is optional. Candidates are encouraged to share their portfolio or work samples, as well as any other materials that can provide the search committee with an insight into your teaching.

The Kehillah School is committed to the principle of equal employment opportunity for all employees and providing a work environment free of discrimination and harassment. All employment decisions at Kehillah are based on business needs, job requirements, and individual qualifications, without regard to race, color, religion or belief, national, social, or ethnic origin, sex (including pregnancy), age, physical or sensory disability, HIV Status, sexual orientation, gender identity and/or expression, marital, civil union or domestic partnership status, past or present military service, ancestry, or any other status protected by Federal, State, or local laws or regulations. Kehillah will not tolerate discrimination or harassment based on any of these characteristics in the administration of its employment practices.
