

MODEL UN

Students prepare for Model UN by doing research and practicing speeches in order to participate in Model UN Conferences.

LATIN CLUB

For Latin enthusiasts and those who wish to learn more about the language and Latin and Roman culture, students lead presentations to peers on holidays and games and prepare to compete in the Junior Classics League.

FILM CLUB

Students work together on group film projects with the goal of creating a school film festival.

CREATIVE WRITING

Each week, students write creatively or share/critique as the group wants. The club will view Dead Poets Society as inspiration.

DIVERSITY CLUB

Students work to broaden perspectives by discussing relevant topics, watching recent movies/documentaries, and creating a space for members of our community to learn and think about the culture they create.

KEHILLAH CLUBS

EULER CLUB

Students gather each week to solve complex math and computer science problems.

ANCIENT GREEK LITERATURE CLUB

This club is a chance for students to learn Greek by translating passages from ancient Greek literature.

FUN AND GAMES CLUB

A social club where students gather to play new and exciting board, card, and computer games each week.

CHESS CLUB

In Chess club, students learn to play chess, improve game strategies, and compete in local tournaments.

DEBATE CLUB

Students practice debate skills by picking a topic and debating both sides in an effort to convince the other side on the merits of the other's argument.

RAMBASSADORS

Student volunteers for shadow guides and visits to middle schools to promote their experience at Kehillah.

TECH CLUB

Students create and work on projects in our weekly tech club meetings, as well as discuss tech news.

WOMEN IN STEM

Open to all, in this club students gather to read and discuss recent articles on women in science, technology, engineering, and math.

GSA

Gender and Sexuality Alliance is a safe space for those who identify as LGBTQ+ to share their experiences, to teach those in our community who want to learn more, and discuss LGBTQ+ topics in media and history.

ISRAEL CLUB

Israel club focuses on culture and current events in Israel, while working to strengthen Kehillah's connections to Israel through community service.

BRIDGE CLUB

In Bridge club, students play games, improve skill and strategy, teach conventions of the game as they partner with Silicon Valley Youth Bridge League and compete in competitions.

MISH MOSH

Mish Mosh is an improv club to develop improvisational skills and perform improv shows throughout the year.

ASTROLOGY CLUB

Students learn how to create horoscopes, read the star signs, and interpret astrological movement to create monthly horoscopes for the student body.

A CAPELLA CLUB

In a capella club, we improve our a capella abilities by singing songs from a playlist and learning pieces to perform.

THE SALON

An art appreciation group where members present on a piece of art or art form that speaks to them, and then lead an activity or discussion.

ENTREPRENEUR CLUB

In Entrepreneur club, students work to explore all aspects of business like idea generation, marketing, supply chain logistics, negotiation, research, and development as students strive to create, produce and sell a product

ROAD TO CHANGE CLUB

An initiative connected to Everytown for Gun Safety where students work to end gun violence by educating themselves, encouraging voter registration, and lobbying local politicians on their cause.

SKATE TEAM

In Skate team we explore all things skate by watching skate videos to learn moves and experience skate culture.

SOCIAL ACTION CLUB

A club where students talk about things that happen globally, learn about their role in these global situations, discuss ways to make an impact, and plan project to have a lasting effect.

YEARBOOK CLUB

In Yearbook, we partner with members of our community to amplify our photo collections and write captions for our yearbook.
