Our Story
Kehillah Jewish High School is distinguished by an exceptional academic program in a supportive environment that pairs rich traditions with the best of the Silicon Valley mindset. At Kehillah, students embark on a journey of self-discovery guided by a community of passionate educators. They graduate with the knowledge, values, and community that enable them to create extraordinary futures.

School Background and Location
Kehillah Jewish High School is an independent Jewish high school that welcomes a diversity of students from both public and private schools. Located in the heart of Silicon Valley, our Palo Alto location allows us to welcome students from as far north as Burlingame, as far south as Morgan Hill, and as far east as Fremont. Our campus offers state-of-the-art physics, chemistry and biology labs, a laboratory for engineering arts, music and art studios, a “black-box” theatre, and an exceptional gym and athletic facility. Average classroom size is 15 students. Kehillah is fully accredited by the Western Association of Schools and Colleges and by the California Association of Independent Schools.
