My Vision Statement

I will do my best as Jewish Life Commissioner to make Kehillah a safer place to share ideas about Judaism as well as introduce new ideas and interactive programs to the school.

My name is Yuval Mazor and I am running for JLC! I am a level 10 gymnast and have been committed to gymnastics for my whole life. I also have two younger siblings and take on leadership roles in my family life. I hope to positively impact the Kehillah community and take part in student government.
